

Spirit of Jefferson.

Charlestown, West Va., October 24, 1876.

LOCAL INTELLIGENCE.

MATTERS IN BRIEF.—The Hon. C. J. Faulkner being in town on Tuesday evening last, he was serenaded at the Carter House by the Mechanics' Silver Cornet Band. In response to the compliment, he appeared in front of the hotel, and in a brief and pertinent address thanked the members for their visit and commented upon the recent elections and their probable results, concluding with a complimentary reference to the overwhelming majority Jefferson county had given for the Democratic State ticket. After the speaking the band discoursed music through other portions of Main street, and a considerable jubilee over the recent political victories was entered into—embracing a display of fireworks, and concluding with a bonfire on "Hester's Hill," at the East end of town.

Col. Ward H. Lamson has recovered sufficiently from his recent accident to be about again, and was in Charlestown last week.

Mr. S. B. Thompson, a veteran Sewing Machine planter, has secured the Agency for the Singer in this county, and proposes to canvass it thoroughly. This machine stands at the head of the list. Give it a trial.

Mr. Geo. H. Hagley has purchased of the Howell heirs the building on the Northwest corner of Main and Charles streets, and a portion of the lot in the rear thereof, for the sum of \$1,700. Mr. Hagley proposes beginning at once the erection of a brick dwelling-house on the vacant portion of the lot fronting on Charles street.

We have in our custody a pair of Spectacles, which the owner can obtain by calling at the Spirit Office.

Brother Zittle, of the Shepherdstown Register, has been feasting upon sweet potatoes, apples and Southdown mutton, contributed to his larder by generous patrons. He ought to feel good.

The first snow of the season fell here on the night of the 14th inst.

The Supreme Court of Appeals began its adjourned session in Charlestown on Friday, and on Saturday heard a portion of the argument of counsel in the *Hubert corpus* case of *Rust ex. Vanvatter*. Argument in the case was completed yesterday. This is the only case which will be heard, but the Court will probably continue in session a week or two, delivering opinions, &c.

Mr. Berj. Tomlinson is raising the new cupola on the M. E. Church South, in which will be swung the fine new bell purchased by the congregation of that church a short time ago.

The congregation of the M. E. Church South, of this place, raised a purse for their pastor, the Rev. S. G. Ferguson, and sent him to the Centennial yesterday.

Three head of horses belonging to Henry H. Johnson, colored, of this place, were poisoned in the stable on Saturday night last, but by timely discovery and extra exertions were rescued from death. The act of thus venting personal malice against the owner upon poor dumb animals, such presumably being the cause of this outrage, is a most execrable one, and as circumstances point rather clearly to the authors of the crime, it is hoped they will yet be detected and brought to justice, if they do not escape the vengeance of the law by flight.

The new brick pavement on George street, adjacent to the Court House square and in front of the residence of Mr. C. E. Heller, have been completed, and the old stone sidewalk in front of the residence of Miss Elizabeth Brown, on Main street, has given place to a new brick one. The new brick pavement on the East side of Mildred street, leading to the Depot, is also being laid.

The Town Council, on Tuesday night last, determined to enforce a compliance with the order issued some time ago for the repair of sidewalks, and instructed the Street Committee to proceed to have the work done where it has been neglected, and require the owners of property adjacent to pay for the same. The Council also accepted a proposition from Mr. H. D. Middick to sell to the corporation a piece of ground ten feet square, on George street, for \$20, as a location for the well to be sunk in the Southern portion of the town. The purchase and receipt of one dozen new fire buckets was reported.

Marion M. Hite, late of the firm of Hite & Wall, Winchester, Va., died at the Western Lunatic Asylum, Staunton, on Tuesday morning.

The Eleventh Annual Communication of the Grand Lodge of West Virginia, I. O. F., commences to-day, at Fairmont. The Lodges of this county are represented as follows: E. J. Williams, Wilkey, Charlestown; W. J. Conklyn, Cassandra, Kaitletown; W. E. Anderson, Virginia, Harper's Ferry; John P. Smith, Good Samaritan, Middletown; J. D. Staley, Calcedonia, Shepherdstown.

Maryland day at the Centennial was grandly celebrated on the 19th instant. The 5th and 6th regiments, M. N. G., were present, with the Governor and staff, and Mayor and City Council of Baltimore. Maj. H. Kyd Douglass, of Hagerstown, appeared upon the Governor's staff, and Mr. S. Hamberger, of this place, as 1st Sergeant of Co. D. of the 5th, joined his old command on the excursion. The grand Centennial Tournament came off the same day. Mr. Edward F. Gallagher, of this place, who had been selected to represent Virginia in the tourney, did not engage in the tilting. According to the Philadelphia papers, Mr. Gallagher acted as one of the assistant marshals, whilst Mr. P. A. Seaggs rode as Knight of Virginia, and took three rings out of nine.

SUDDEN DEATH OF MRS. REED.—Mrs. Emma Downs Reed, wife of Capt. John Reed, of this town, died at her home on Wednesday afternoon, October 18th, aged 66 years. Though an invalid for many years, she seemed to be in her customary condition of health until stricken with paralysis at the breakfast table on the day of her death. She was a kind wife, an affectionate mother, and a genial friend, and in her intercourse with neighbors strictly observed the "Golden Rule." Her whole life illustrated the beauties of the Christianity she professed and exemplified the nobility of womanhood. Her physical sufferings were borne with a sublime resignation to the will of the All-wise Father who permitted them. She regarded not her chastenings as grievous, but "light afflictions," and through all her sorrows maintained her faith in God unimpaired. Her call from earth away is almost an unbearable hardship to her bereaved family, and they have the sincere sympathy of friends.

"Mid earth's bitter trials, when the soul is bowed with care,
And the burdens cast upon us seem more than we can bear,
Let us lift the spirit heavenward to the life unfettered there."

CHURCH MATTERS.—The Presbyterian Synod of Virginia began its eighty-ninth annual session at Norfolk on Wednesday evening last, and was opened by Rev. J. J. Bullock, D. D. of Alexandria, moderator of the previous session. Rev. H. C. Alexander, D. D. of the Union Theological Seminary, was elected moderator, and Revs. Daniel Blain and H. H. Fleming were elected temporary clerks. Ruling Elder Geo. H. Turner was appointed by the Session of the Presbyterian Church, of this place, as a Delegate to the Synod, and Ruling Elder John Burns was appointed Alternate.

The Rev. J. W. Tongue preached on the Presbyterian Church, of this place, on Sunday, the pastor, Rev. A. C. Hopkins, being absent in attendance upon the Synod of Virginia, at Norfolk.

The Acting Board of the Potomac Association will meet in the Baptist Church in Charlestown, October 25th, at 7 o'clock, P. M., and continue for several days. The public are invited to attend its sessions.

HORSE THIEF ARRESTED.—A stranger sailing under the cognomen of Hamilton, came to Harper's Ferry on Tuesday last, and stopped at the boarding-house of Mrs. Margaret Krepps. On Saturday afternoon he hired a horse and buggy of Mr. Jas. T. Reed, for the purpose, as he stated, of driving to Charlestown. The gentleman not returning, Mr. Reed became uneasy and sent his brother on the track of him. The brother, Mr. Wm. Reed, pursued the party to Winchester, and found him Sunday morning, stopping at Grand's Hotel, in that place, registered as Mr. Hamilton. The horse and buggy were at the hotel stable, and were secured, and Mr. Hamilton alias Hutchinson was arrested and committed to jail in Winchester, from whence he will be removed to the Jefferson county jail as soon as a requisition can be procured.

COL. HOLLIDAY'S APPOINTMENT.—Bear in mind, as a piece of good news, that Col. F. W. M. Holliday will close up his splendid campaign as Elector at Large in Virginia, by speaking in Charlestown on Monday, November 6th, the day before the election, in the afternoon. Col. H.'s speeches in Virginia have been so lauded that we would like to see the whole county turn out to hear him.

THE CENTENNIAL EXCURSION.—The excursion train from the Valley of Virginia, via the B & O R. R., yesterday, consisted of three sections of heavily laden cars, the party being by far the largest one which has yet left the Valley. Charlestown station was supplied with seventy-five tickets, but there were not enough to meet the demand.

THOSE WHO BUY THE Celebrated Boots and Shoes of Mank & Stern are loud in their recommendation of them, and claim that they give perfect satisfaction in every respect. Sole Agency for this county at Goldsmith's Twin Fronts. See advertisement.

CONSTABLE AT DUFFIELDS.—In our election returns we have Mr. Knadler reported as being one of the constables elected for Shepherd District, which is a mistake. Mr. D. T. Reynolds, of Duffields, is elected, and not Mr. Knadler.

THE NURSERY for November comes bright and interesting as usual. As a monthly magazine for youngest readers, it is simply charming. John L. Shorey, publisher, 36 Bromfield st., Boston; price \$1.00 a year.

FOR SALE.—A Grover & Baker Sewing Machine—in good order—Cheap. Enquire at the Spirit Office.

DO YOU TAKE THE SUNNY SOUTH?—If not, send for it immediately. It is the universal favorite, and all Southerners are proud of it. Let a large club be raised without delay in this community. It is the only illustrated literary weekly in the South, and the press and people everywhere unite in pronouncing it the equal in every respect of any similar publication in America. The best literary talent of the whole country, North and South, is writing for it, and it has something each week for all classes of readers. Its stories are superior in literary merit, and equal in thrilling interest to those of any other paper, and its essays upon all subjects are from the best minds of the age.

In addition to thrilling new stories, a series of brilliant articles will soon begin on the "Campaigns and Battles of the Army of Tennessee," by Colonel B. W. Frobel, a distinguished military engineer of that army in all its trying times. These papers will explain all the movements of Generals Johnston, Hood and Sherman. Don't miss any of the numbers. They will read like a fascinating romance.

New and exciting stories are beginning every week or two. State and local agents are being appointed everywhere, but let each community form a club at once and send on for the paper. Having passed successfully through two of the hardest years we shall ever see, it now challenges the admiration and unlimited support of the people. The price is \$3 a year, but clubs of four and upwards pay for \$2.50. Address Jno. H. Sells, Atlanta, Ga.

WE club it with our paper, and for \$4.25 you can secure your home paper and our great Southern literary journal, both of which everybody in this community should sustain.

PETERSON'S MAGAZINE for November is on our table, ahead of all others. It is an unusually good number, even for this first class lady's book. The principal Steel Plate, "Innocence," is from an original picture by that world famous artist, Sir Joshua Reynolds. A prominent feature of this Magazine is its copy-right Novels, two of which appear in this number. "Miss Greenleaf's Absent Election," by Fanny Hodgson Burnett, and "The Days of Seventy Six," by Mrs. Ann S. Stephens, both very far superior to the continued stories to be found in magazines generally. But, as a contemporary says, the stories, the fashions, the patterns, in short, everything in "Peterson" is the best of its kind. The price of this Magazine, too, is another thing in its favor. It is but Two DOLLARS A YEAR.

The Prospectus for 1877 is published with each number, and we find that the prices to clubs are considerably low. For three copies for \$4.80, with a superb engraving (27 inches by 20), "Surrender of Cornwallis," to the person getting up the club; or six copies for \$9.00, and a copy of the Magazine for 1877 as a premium to the person getting up the club; or seven copies for \$11.00, and both an extra copy and the premium engraving to the person getting up the club. For large clubs the prices are even lower. A choice of eleven splendid premium engravings, for framing, is given for fifty cents extra, to subscribers for "Peterson" for 1877. Specimens of the Magazine are sent gratis, if written for. Subscribers to nothing else will get, free, a copy of this popular Magazine. Address CHARLES J. PETERSON, 306 Chestnut Street, Philadelphia, Pa.

CINCINNATI.—The October term of the Jefferson Circuit Court, Judge Jno. Blair Hugo on the bench, began on Tuesday last. The Grand Jury was in session the first two days of the term, and found the following indictments:

State vs. Wm. Keys—for unlawfully and maliciously attempting to cut, wound, &c.—True bill.

State vs. Luke Nelson, Mannel Johnson and Wm. Keys—for assault with intent to kill. True bill.

State vs. Wm. Warfield—Grand Larceny. True bill.

On motion of the Attorney for the Commonwealth, a Writ of Habeas Corpus was awarded against Luke Nelson, Mannel Johnson and Wm. Keys to answer the indictment of the Grand Jury against them for assault, with intent to kill, returned forthwith, and Nelson and Keys were found and taken in custody by Deputy Sheriff Henson at once. Johnson has not yet been caught.

Lee Washington, colored, accused of receiving stolen meat, was tried on Thursday. The jury found a verdict of guilty, and his punishment was fixed at nine months in the county jail. A motion for a new trial was made, and afterwards withdrawn.

Wm. Keys was tried on his first indictment on Friday, and a verdict was rendered of "Not Guilty."

To Snake, or not to Snake?
Age, that is the question. Is better to quiver from head to foot in the paroxysms of fever and ague, or to banish the atrocious disease by a course of that standard, anti-febrile remedy, Hostetter's Stomachic and Bile Beans?—What a host of those of the malarial-stricken to this inquiry. From every locality on this continent whose inhabitants are tormented with the shivering plague comes an increasing demand for the only genuine preventive and eradicator of malarial poison by science. The dangers of fever and ague districts will know how utterly inadequate to do more than give a brief respite are the so-called remedies of the faculty. Colic, vomiting, biliousness, what are these but poisonous palliatives, which cause after a time to produce any beneficial effect whatever, and if persisted in weak irreparable mischief. Hostetter's Stomachic and Bile Beans, what a system? Everywhere they are being abandoned by intelligent persons, and that genuine vegetable specific for intermittent and remittent disease, Hostetter's Bitters, substituted in their place.
